

If you are lucky enough to join Rhythm Time as a Class Leader, here are the next steps:

- You will be required to sign a Confidentiality Agreement, upon completion of which you will be given a full set of lesson plans for the courses you will be teaching, together with access to our recorded training screencasts which will be available to you to use at home, 24/7. You will also be in receipt of a docking station and ipod or similar.
- Training will commence and this can take up to one academic term but varies depending on experience and musical skills. It will consist of 1:1 training each week for approximately 2 hours, along with home study. All will be at a time that is convenient for you and your Rhythm Time Franchisee.
- You will be invited to shadow and assist in the classes for a few weeks to give you the opportunity to hear your voice in the setting and to feel comfortable with how the classes operate , prior to being given your own classes.
- If an Enhanced DBS check is not available, your Franchisee will organise this for you.
- Approx. 3 weeks before you are due to start teaching, you will be offered a Contract and given our Policies to read and acknowledge receipt of.
- You will also be required to complete an online Safeguarding Course which Rhythm Time will fund and can be done at your convenience, taking approximately 2 hours in total.
- Good luck! We know you're going to love being part of the team!
